Welcome to your Book Tornado Fundraiser from Twisted Plays! The process is pretty simple.

- 1. You sign up.**
- 2. You sell books.**
- 3. You make a profit.**

When you sign up with Book Tornado you will receive books to sell at the cover price. You pay 75% of the cover price and keep the rest.

Example: Book 1 costs: \$20.00
You pay Book Tornado: \$15.00
You Keep: \$5.00

Your initial order should be for \$100 in merchandise, so in the case above you'd have to sell 7 books to meet your minimum. Your Twisted Plays sales representative can help you if you can't meet the minimum.

Your only upfront cost is \$100 for your initial supply of books. After that, you can order additional books when you need them at 75% off the cover price. If you plan on selling many books your Twisted Plays sales representative can lower your cover price.

Example: You sell \$1000 in books → you pay 70% of the cover price.

The more books you sell the higher your profit!

This program is available to schools and non-profit organizations only as we do not charge tax for your order.
